

Accessing Quintessence journal titles via the DOSS database Access for ADA members only

The full text of thirteen currently published Quintessence dental journals are available to ADA members via the Ebsco Host DOSS database. The DOSS database is accessible from the ADANSW Knowledge Centre site, the ADA NSW Knowledge Centre APP (Liberty Link) and the National Digital Library.

These thirteen currently published Quintessence dental journals are available from DOSS. The full text content is not embargoed, so it is fully available immediately it is added to the DOSS database.

Locating a particular journal in the DOSS database

Once authenticated you will be passed to the home page of the **DOSS** database. Here you can perform subject searches or go directly to a journal and scroll through the contents.

Click on the Publications tab to locate a specific journal title

You can either type the journal title into the Browsing box OR use the A-Z facility to scroll.

Example – Journal of Adhesive Dentistry

Enter the journal title **Journal of Adhesive Dentistry** into the Browse search box. Click the Browse button. This will display the journal entry.

The screenshot shows the EBSCOhost search interface. At the top, it says "Browsing: Dentistry & Oral Sciences Source -- Publications". Below this is a search box containing "Journal of Adhesive Dentistry" and a "Browse" button. There are three radio buttons for search criteria: "Alphabetical" (selected), "By Subject & Description", and "Match Any Words". Below the search box is a "Page:" section with "Previous" and "Next" links, and a list of letters "A B C D E F G H I J K L M N O P Q R S T U V W X Y Z". There is also a "Mark Items for Search" section with an "Add" button. Below that is a list of search results for "Journal Of Adhesive Dentistry", including "Bibliographic Records: 03/01/1999 To Present", "Full Text: 03/01/1999 To Present", and "PDF Full Text". A yellow arrow points to the "Browse" button, and another yellow arrow points to the journal title in the search results.

Click on the journal title

Click on a year to expand the entry which will show you the issues for that year. Click on an issue

The screenshot shows the EBSCOhost publication details page for "Journal of Adhesive Dentistry". The page has a blue header with a hamburger menu icon. Below the header, it says "Database: Dentistry & Oral Sciences Source -- Publications" and "EBSCOhost". The main content area is titled "Publications" and "Publication Details For 'Journal of Adhesive Dentistry'". It includes fields for "Title", "ISSN", "Publisher Information", "Bibliographic Records", "Full Text", and "Publication Type". On the right side, there is a section titled "All Issues and Articles" with a list of issues for the year 2021, including "Vol. 23 Issue 6 - 2021" through "Vol. 23 Issue 1 - 2021". A yellow arrow points to the year "-- 2021" in the "All Issues and Articles" section.

Scroll down until you find the article you are interested in

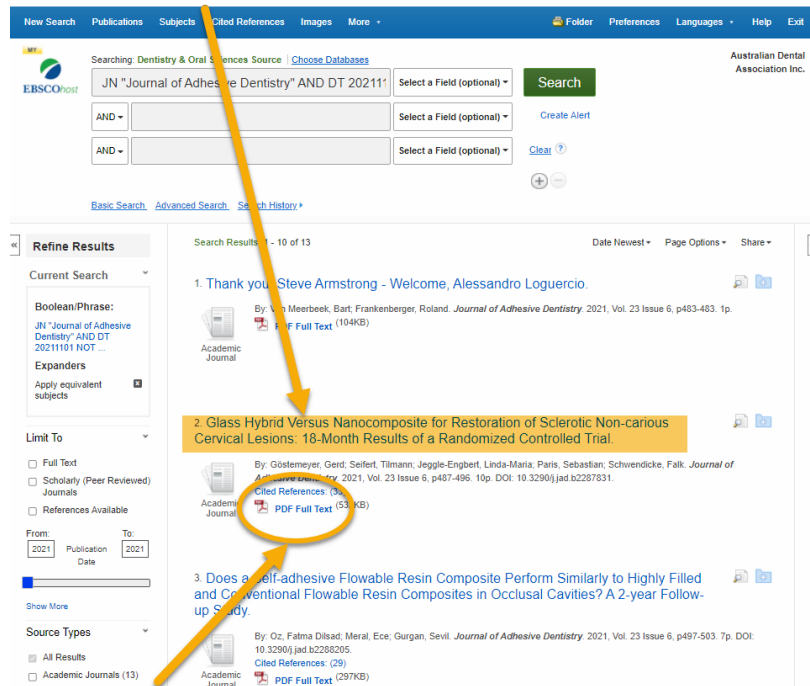

ADA NSW Knowledge Centre can be contacted on

Phone: (02) 8436 9960 Email: KnowledgeCentre@adansw.com.au

or go to the online knowledge centre website at

<https://www.adansw.com.au/KnowledgeCentre/Home>

Clicking on the article title will display an abstract

Clicking on the pdf icon will download the full text of the article which you can print or save to your computer.
